July 18, 2016

Dear Parent/Guardian,

When your son/daughter enters Flood Middle School in September, one of the required subjects will be Physical Education. Students will be expected to change from school clothes to P.E. apparel for Physical Education class. Because of this it will be necessary for your child to obtain this apparel **before** school opens.

The required apparel includes one official uniform:

**Flood Middle School – Grey Shirt**

- 1 – Pair black shorts – any black short is fine
- 1 – Pair of sneakers
- 2 – Pairs of athletic socks

Additional recommended apparel:

- 1 – Warm-up suit (jacket and pants)

The warm-up suit is strongly recommended since our program is conducted outdoors late into the fall and again in the early spring. Please give this purchase careful consideration.

You should purchase the official uniform (tee-shirt) prior to the start of school at *TopTees*, 3588 Main Street, (in Paradise Green) Stratford, their phone number is, 203-378-8337.

Purchases must be made at TopTees beginning on Wednesday, August 5<sup>th</sup>. The price of the shirt is \$9.50.

We have made every effort possible to select apparel that is attractive, serviceable, easily laundered, and inexpensive. Generally speaking, they should wear them for the two years of middle school.

Students attending Flood will also participate in the aquatics program, including swim instruction, later in the school year. On the reverse side of this page are pictures that show appropriate swimwear for the aquatics program.

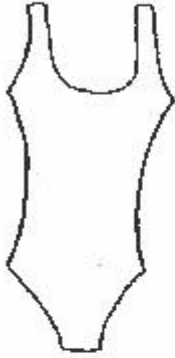

Thank you for your cooperation.

Sincerely,

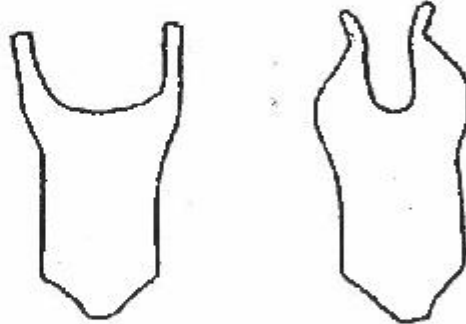

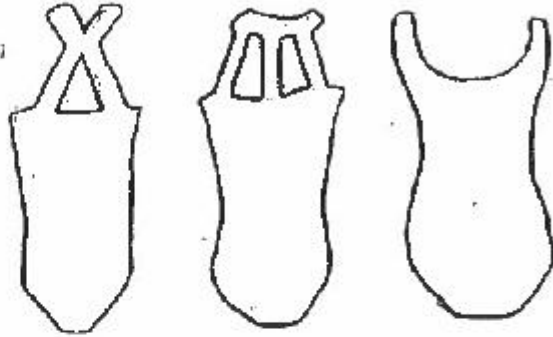

Lea Ann Bradford  
Principal
